

MBizM™ Lean Six Sigma YELLOW BELT PROGRAMME

INTRODUCTION

- ◆ The Yellow Belt Participants will have more in-depth knowledge of Six Sigma and each of the five phases that are to be applied in practical terms.
- ◆ This course is designed to provide a broad understanding of Six Sigma methodology, concepts, and language, along with a complete toolbox of basic process improvement methods.
- ◆ This programme was developed to encourage the candidates to be responsible for the development of process maps to support Six Sigma projects.
- ◆ The Yellow Belt Participants will participate as core team members or subject matter experts on a project.
- ◆ Yellow Belt Participants will gain knowledge of Lean enterprise concepts, are able to identify non-value-added elements and activities.

Duration = 3 + 2 Days
